Frequently Asked Questions

Before you register for the Gloop Essential Study Skills Coaching Program, here are the answers to some commonly-asked questions.

1. How Long Does The Study Skills Coaching Program Take?

For your convenience, you can choose between two delivery options each of which covers the same material, whether done Online or Face-To-Face:

- **OPTION A: 1 Day Program.** Delivered in x1 day, usually from 1000 to 1600. Perfect if you want to cover all the material in the shortest possible time and in just one go.
- **OPTION B: 2 Session Program.** Delivered in x2 three hour sessions, one each week over a two week period.

With both options, the Program is broken up in to a number of short modules each of which covers one or several key strategies or techniques. These progressively build on each other and regular short breaks are taken to maintain attention and focus. In this way, it is possible to easily absorb and learn the techniques covered whether done in one go or over a number of shorter, separate sessions. **1 Day Program Discount:** *As less preparation time is required when the program is done all in one go a \$100 discount applies to the 1 Day Program option.*

2. Are You Really Able To Keep Students Fully Engaged For A Whole Day?

Absolutely. In fact, at the end of the day many students not only remark how valuable the course was but also how the day seemed to fly by. And it does, in part because of the way in which the course is structured comprising numerous short sessions of 30 to 50 minutes, each introducing one or several key study strategies or techniques, with frequent short breaks in between to help students remain attentive and focused. But also because students are introduced to new and highly effective ways to learn in a fun, relaxed and humorous fashion.

3. Is This Program Suitable For High School Students Of All Ages?

In a word, yes. This Study Skills Course is designed to help high school students study more effectively and improve their grades regardless of their age. It is especially beneficial for students in years 10 to 12 preparing for the VCE, HSC or QCST.

That said, the earlier students are exposed to effective study techniques the sooner they can benefit from them. Which is why this program is designed to equip students with key, lifelong learning skills and is delivered in a fun and easy-to-follow way so that students from years 7, 8 and 9 can benefit from the program just as much as students in years 10 to 12.

4. What Materials Do Students Receive?

Students receive a colour A4 Study Skills binder which builds up through the course of the program with handouts inserted summarising the key ideas and techniques as they are discussed and activities undertaken. The binder is divided in to key sections reflecting the main techniques covered and serves as an important and easy to use review and reference document after the program.

5. When Do The Sessions Take Place?

Available all year round and at a time to suit you, this Study Skills Program can be taken on weekdays, Saturdays or selected Sundays. Face-To-Face sessions at Gloop in Sydney take place during the daytime. Online sessions take place during the daytime plus are also available on selected weekday evenings

6. Where Do The Face-To-Face Sessions Take Place?

Face-To-Face sessions take place in Balmain in Sydney's Inner West which is 5km or 10 minutes from Sydney CBD. Face-To-Face sessions take place during the daytime. Alternatively, Coaching Programs can also be delivered at your home or place of work within the Sydney metropolitan area at no extra charge if done in one session. Not in Sydney or prefer not to travel? You can also take this course as an Online Program from the comfort and convenience of your home, see next two questions for details.

7. How Does The Online Program Option Work?

For Online Programs we use a web-based training delivery platform which enables us to share video and audio in real time. So it is similar to a Face-To-Face session just done via computer or tablet and over the internet. The platform also allows us to share documents and you are able to view the supporting PowerPoints we use as we progress through the training. For Online Programs you simply need broadband internet access plus a computer or tablet with webcam and microphone.

8. Is There Any Difference Between The Online And Face-To-Face Programs?

Both options are live, one to one training and cover exactly the same ideas, techniques and content. Some people prefer to learn Face-To-Face in the same room and so this is a good choice if you are based in (or can travel to) Sydney. Online Programs offer more flexibility in terms of scheduling and can also save on travel time and costs. Both options work well, cover the same material and achieve the same results.

9. I'm A Parent And Would Like To Sit In On The Coaching Program. Is This Possible?

Yes and there is no extra charge. Where possible we encourage it as you then also experience first hand the techniques your son or daughter has been shown and you are able to provide additional support afterwards. Plus we know that many parents also benefit from learning how to read faster and remember more!

10. How Much Does The Coaching Program Cost?

The Essential Study Skills Coaching Program taken as a 2 session option costs \$895 including GST, whether done Online or Face-To-Face. As less preparation time is required when the Coaching Program is done all in one go, a \$100 discount applies to the 1 Day Option which costs \$795 including GST.

If you are interested in the program but it is beyond your budget, you can reduce the cost by having your son or daughter take the program with a friend - see the next question.

Alternatively, we also offer 2 separate, shorter programs for high school students costing less, one focusing just on **Speed Reading** and the other just on **Memory Techniques**. Another option is to consider attending one of our Public Study Skills Courses. For more details please visit <http://www.gloo.com.au> or call us on 02 9089 8892.

11. Is It Possible To Take This Program With Another Student?

Yes, this Coaching Program can be taken with up to 2 additional students at the same time. Ideal if you have more than one son or daughter or they would benefit from taking the program with a school friend. The cost for each additional student is \$200 including GST. So for a 1 Day Coaching Program for 2 students together the total cost is \$795 + \$200 = \$995 or just over \$450 each - a saving of almost \$300 per student.

12. We'd Prefer A Public Course. Where And When Are The Next Ones?

Our next Study Skills Public Courses are taking place shortly in Melbourne, Sydney, Brisbane and Canberra Study Skills For High School Students 1 Day Public Course. For more details please visit <http://www.gloo.com.au> or call us on 02 9089 8892.

13. We're Looking For Something Slightly Different

Customised Coaching Programs are also available. Please contact us on 02 9089 8892 for details. Customised programs may cost slightly more to cover additional design and preparation time.
