

Speed Reading Made Easy Half Day Public Workshop

Blast through emails, books and reports, save valuable time, be more productive. The benefits of speed reading are obvious. In this fun, fast-paced, speed reading training course you will discover the reading techniques used by highly effective people to read faster, boost their productivity and get more done each day. Plus go beyond traditional speed reading courses by learning how to remember much more of what you read through the use of powerful memory techniques.

Workshop designed and delivered by Australian Memory Record Breaker Chris Lyons who in 2006 correctly recited Pi to 4,400 places without error.

Chris has appeared on The Today Show, A Current Affair, Today Tonight and demonstrated how effective memory techniques can be on radio stations all around Australia. In 2008 Chris won the Australian Memory Championships Names competition by memorising 46 people's names in just 5 minutes.

Purpose Of Workshop

- To give you a rapid and effective introduction to Speed Reading
